## Mickey's New Year Celebration Top Hat

### You'll need:

Mickey's New Year Celebration Top Hat template  
String or elastic cord  
Decorative feathers  
Cupcake liners, any color  
Double-sided tape or glue

### Instructions

1. Print the hat template on regular paper or cardstock and cut out the pieces.
2. Start by gluing the A tab on the Hat Front piece to the left side of the Hat Back piece. Close the shape by gluing the B tab to the left side of the Hat Front piece.
3. Tuck the C tabs into the opening at the top of the hat, and secure them with glue or double-sided tape.
4. For the Brim of the hat, cut the lines between each D tab to separate the tabs. Tuck the D tabs into the opening at the bottom of hat, and secure them with glue or double-sided tape.
5. To decorate the front of your hat, flatten out three cupcake liners. Stack the liners on top of each other and glue them together at their centers only. Glue the Mickey decoration to the center of the top liner. Trim around the liners so a ½" to 1" border peeps out from behind the Mickey decoration. Attach feathers behind the cupcake liners. Glue or tape the whole piece to the front of the hat above the "Happy New Year!" text.
6. Tape string or elastic cord to the inside of the hat on each side. This will help hold the hat in place.
