HISTORY

Upon exiting Madame Leota's Séance Circle in the Haunted Mansion, guests move along a balcony where they overlook a spirited birthday party in the Grand Hall. While the room is filled with illusions, all of the furnishings, decorations, and tapestries are real.

Birthday or not, we invite you to gather at your own dining tables to have a swinging good time and ring in the Halloween season with a Haunted Mansion themed table!

If you're lucky, the happy haunts may receive your sympathetic vibrations and come out to socialize...
