HALFWAY TO HALLOWEEN CHARADES

SUPPLIES:

Printed cards

Scissors

Craft glue

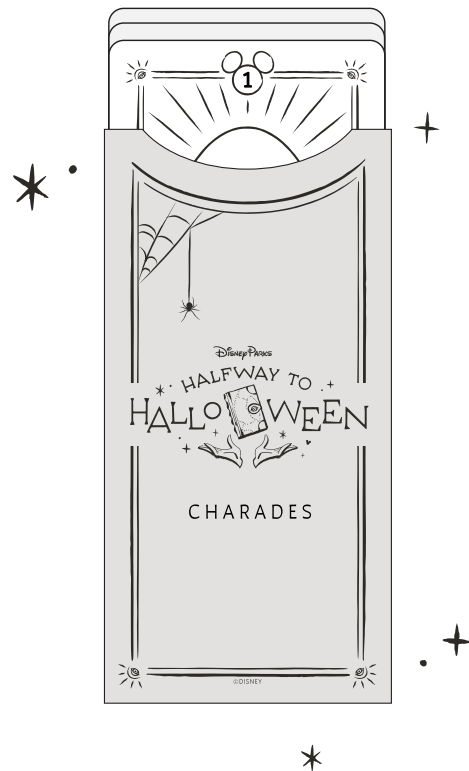

Timer

Pen & Paper

Optional: Colored card stock for card sleeve

HOW TO PLAY:

- ① Print out the charade cards on pages 2-3.
Optional: Print out and glue together the card sleeve on page 4 to hold the cards.
- ② Divide into two teams and deal the cards in half to both teams.
- ③ Each team selects a player to view a charade card and act out the words on the list. The player must act out the word without speaking, pointing to objects in the room or moving their lips.
- ④ When the player is ready, start a timer for 2-3 minutes. Begin from the word at the top. If the actor's team guesses the word correctly, continue acting out the rest of the list until time is called.
- ⑤ Alternate between the teams and players so everyone gets a turn to act. Keep score for all the words guessed correctly. The team with the most correct guesses after all cards are read wins!
